

Fisherman & Boatowner FIELD TEST

Introducing the latest model in Haines Signature's vast range of fibreglass trailer boats. No other company in Australia has anything like the range of GRP (fibreglass) boats Haines Signature has made available, and no-one has anything like the tooling and development programme. This month, Editor Peter Webster looks very closely at the all-new HS 630F, and the equally new Yamaha 200 hp direct injection outboard.
