

Pacific Sportfish 6.4 CentreCab

For many Australian fishermen, it doesn't get any better than this.

A Sportfish 6.4, one of Australia's best aluminium centre cabs, powered by the new generation 4-stroke Honda, cradled in a '98 standard, tandem axle trailer. For all those older fisho's who reckon they don't build 'em like they used to - here's proof that they do. And sometimes, like this, they even do it better . . .
