

Fisherman & Boatowner FIELD TEST

When the Haines Signature R&B team releases a new model, the whole industry sits up and takes notice. In this case though, this is just **the first of a whole new series of Signatures** coming down the line to a dealer near you very soon. First, we have this stunner, then we have the 580C, then an awesome new 630F - and that's just the beginning! But first, join **Editor Peter Webster** as he trials the first of the 2007 newbies . . .
