

Cairns Custom Craft 5.7 Cat

Story & Pics by Peter Webster. Additional research and observations by the boat's principal skipper, Ruth Cunningham.

Fisherman & Boatowner **FIELD TEST**

Introducing one of the most interesting field tests we've produced for some time - the first results of the field work carried out by the F&B team over a wide range of activities, in one of our principal project boats. The bright yellow plate aluminium Cairns Custom Craft 5700 is a centre console catamaran that achieves remarkably high levels of safety, stability, ride comfort and handling. It all adds up to an exceptionally attractive package - moreso, because it does all this with just a pair of inexpensive 2-stroke 70 Evinrudes. All this, in a fabulous ocean going sportfisherman that only weighs 1.54 tonnes . . .
