

Noosa Cat 3500 Sportsfisherman

Twelve years ago we wrote “Another stunning example of the new genre of long range, very high performance sportsfisherman redefining the way many top sportsfishermen think about their sport. This 9.3m twin screw, diesel Noosa Cat has extraordinary speed, economy, range, unparalleled seaworthiness and comfort. But wait there’s more . . . ”

In 2008, the only thing that’s changed are the engines - they’re even better. Lighter, faster, more economical - and now the Noosa Cat 3500 is available with outboards, too. Editor Peter Webster re-visits one of his all-time favourite boats, and comes away from Noosaville with a strange glint in his eye, and a pocket full of Lotto coupons
