

*Marko's Special 'Barge': It's All*

# *Smoke 'n Mirrors!*

*Special report by Di Ross (words) and John Batty (pics) from Adelaide SA on one of the most unusual craft we've encountered for some considerable time. What makes it so unusual is that it came from a synergy between a highly experienced boatowner*

*(ex-Sydney game fisherman, actually) and a very talented Adelaide boatbuilder who was prepared to think sideways. The result is exceptional; not for everyone, obviously, but jam packed with so many great ideas it is worth your careful study. . . . .*
