

# Bayliner 185 Bow Rider

According to the literature, Bayliner 'is where the fun lives'. After casting off our inhibitions and the worries of the world that we carried up to north Brisbane on the day scheduled for the Bayliner test, we discovered the slogan is disarmingly correct. This is one of the most fun boats we've trialed in a long time, and it's set a spectacular stage for our first modern Bayliner test report.
