

# QUICKSILVER 645 Cabin

*Euro Style,  
French Panache,  
Aussie Outboard Care*

In a scenario virtually identical to that experienced by the Australian car industry, Aussie boat owners now have a fascinating range of extremely well priced and very appealing Euro-style boats available to them. Designed by some of the world's top naval architects, beautifully built to European Union Standards, craft like this stunning Quicksilver 645 are re-invigorating our world of family pleasure boating.
