

'Eclipsing' The Dream . . .

Hey - where does one of Australia's top gameboat skippers go when **HE** wants to take some time off to go fishing ?

We asked Capt Damon Olsen of Hervey Bay and Breaksea Spit fame this very question - and guess where he nominated he wanted to go first - yep, Weipa FNQ. "We've fished just about everywhere over the past couple of years, from Alaska to South Africa, Cape York to Cato - but for reliable, exciting fishing action, we're here to tell you it doesn't get much better than the flyfishing action on the Weipa flats, let alone the magnificent barra fishing you'll find in the creeks and drains around Weipa itself."

"As an all-round destination, Weipa is hard to beat."

Join us now, as Damon Olsen shares some of the adventure and excitement that is Weipa, FNQ
