

# Aaron Scores A Blinder!

Aaron (L) wanted to show his Melbourne mate **Brock Arifovic** (R) a good time. He wanted to put him onto some **wild, frenetic GT action**. And most of all, he wanted to prove you could do it, just **25 miles from the Brizzy CBD**. No doubt about it - he succeeded on all three points, capping it all off with **a PB** on a truly magnificent capture . . .
