

# Mako Craft 440 Frenzy

Continuing our series looking at some of the hottest selling boats in Australia . . . the 'next generation' side consoles from a wide range of manufacturers. These boats are fantastic value for money; they have that lovely mix of inshore small boat

compatibility with genuine offshore capability - in a BMT package range of \$35-\$40K for a brand spankin' new rig with years of warranties to lock down the family boating budget. This month we look at one of the very best - Alf Stessl's the 440 Mako Craft *Frenzy* . . . . .
