

Procraft 6.2

If the only thing keeping you from staying out on the water is the weather and the wife, then the new PROCRAFT 6.2 Walkaround Hardtop will solve at least one of those problems! Rain, hail or shine, this magnificent craft will keep you protected from the elements, while still providing a trailerable and versatile all-round machine. With the strength of a toughened-glass curved windscreen and the sexy lines of the moulded fibreglass roof, the hardtop also provides great rod storage and a firm hold for the walkaround deck. The PROCRAFT 6.2 Walkaround Hardtop has raised the bar for affordable - go anywhere - Australian trailer boats!

Whether you want to run wide for deep-water pelagics, comb the bay for snapper or whiting, or purely want a comfortable boat for a weekend of leisure, any one of the three PROCRAFT 6.2 Walkaround models will get the job with ease.

U/floor fuel tank capacity	200L
Standard water tank capacity	(opt) L
Factory Location	Gold Coast, Qld

Base BMT package (from)**\$55's**
Typical driveway, fitted price **\$55-\$65's**

Quicksilver 645 Cuddy

The ease of access through bow and stern; the well thought-out cockpit; the seamless integration of the features. The Activ 645 Cabin allows intelligent design and engineering to work as one. Excellent safety features include easy access in and out of the cockpit along with anti-slip stairs to the water and an anti-slip flat canopy storage surface. There's also an extra high freeboard for added safety and access to the bow is via large steps. In the cockpit, there are swivel driver and passenger seats and a teak dining table that seats six and effortlessly doubles up as sun lounge. Below deck, the cabin comes with the option of a flush toilet, lateral ventilation and lighting and a seating area that converts easily in to a large double berth.
