

## BBB Marine Oceansport 480

The 'Oceansport' 480/500 is the baby of the fleet, it is well suited to running the close islands and reefs offshore or will

prove to be an exceptional big river sportfisher. With a beam of 2m and a 16 degree deadrise it will handle the chop with ease yet be a stable platform for casting off the forward raised deck chasing all manner of fish species. Rated to 100HP. Available as a Custom Console, either side or centre.
